From The Secy to the Resident
No. F. 62/1939(2) d 21st may 39
Stating that the Crown Representative desires that Indian States should apply to their Territory an Act similar to the Registration of Foreigners Act 1939 and also the rules in due course.

1 Kind reference is invited to the Govt of India Act 1939, referred to in the D.O.D. (Flag Q). The Crown Representative desires that an Act similar to the Govt of India Act should apply to the State also. The enclosures to the D.O.D consist of the draft rules as also the executive instructions proposed to be issued by the Govt of India. The Registration of Foreigners Rules are likely to be issued this month. Necessary action has to be taken in the Legislative Section for applying the Act to State Territory.

2 Para 3 of the D.O.D requests to appoint the D.C.P. in Mysore as Registration Officer. Pending further action, if approved, a copy of the D.O.D with the enclosures, will be sent to the D.C.P. for information.

Para 4) Re: the receipt of forms that will be required perhaps the D.C.P. may be requested to intimate the same

4) Subd for orders as to the reply to the Residency since an early reply is requested.

5) REGISTRATION OF FOREIGNERS IN THE INDIAN STATES.

The Central Government has passed an Act, Act XVI of 1939, to provide for the Registration of Foreigners in British India. The Residency wants this Government to apply to this State an Act similar to the above Act and also, in due course, apply the Registration of Foreigne Rules 1939, which are likely to be issued by Central Government in this month after objections and suggestion on draft Rules which have been circulated have been considered by them. In addition to the above rules, exec tive instructions also have been issued.

6) The object of the Central Government is to introduc this Act throughout British India, administered areas and the Indian States so that every foreigner entering, being present in, or departing from, any such area may be registered. According to the wordings to the Act, registration shall be applicable not only to foreigners who land in India either by sea, air or land, but also to foreigners who are already resident in British India and the Indian States. The definition of "foreigner" is given in section 2 of the Act and the registration of such a foreigner is effected by rules to be framed by the Central Government under the powers vested in them under section 3 of the said Act.

7 By the introduction of this Act in all these areas the Central Government expect to have a complete list

of foreigners in the whole of British and Indian India. The Act itself is a small one and the rule making power puts effectively the provisions of the Act and enables the Executive to take necessary steps for registering such foreigners. In order to carry out the intentions of the Central Government, it is necessary that we should also have an Act in Mysore similar to the British Indian Act, and a draft of the Act in the form of a Bill is submitted herewith.

8) Under the rules in force in Mysore, the general principles of the Bill will have to be first placed before the Representative Assembly and then introduced in the Legislative Council (Rule 6 of the Legislative Council Rules of Business and Section 9 (1) of the Representativ Assembly Act). In emergent cases, however, when Government propose to introduce any measure of legislation, th Bill may be introduced in the Legislative Council first and the general principles underlying it shall be placed before the Assembly at the earliest opportunity after its introduction in the Legislative Council and before its passing. If we adopt either of the above procedures it will mean that the Bill cannot be ~~introduced~~ passed into law before the end of the Legislative Council which will meet either in December or January next. Since the Central Govermme considers this to be an emergent measure, it may not be possible to adopt either of these courses. But under

Serial No.

Section 9 (2) of the Representative Assembly Act, in case of extreme urgency in which the Government proposes that the ordinary rules of business of the Legislative Counci should be suspended and the Bill passed at a single -- sitting of the Council, the procedure enunciated in Sect 9 (1) shall not apply. If it is intended that the Bill should go before the Legislature and be passed by it at a single sitting, the Bill may be introduced at the next session of the Legislative Council and passed at a singl sitting of the Council without reference to the Representative Assembly as laid down in section 9(2). If by any means it is considered not possible to place this measure before the Legislative Council, Government still have power under section 12 of the Legislative Council Act to pass this as an emergent Act and in the meanwhile to take necessary steps to bring it up before the Representative Assembly and the Legislative Council in due course. Also under section 16 of the Legislative Counci Act, the measure could be passed into an Act without being referred to the Legislative Council under the pr rogative of His Highness. Any of these courses could adopted to bring the Act into force immediately.

9 According to para 2 of the Residency letter, the Inspector General of Police is the sole Registration Officer for the whole State and the Resident is the Provincial Registration Officer. The Residency have a

sent us copies of Notifications, Press Communiques and Draft Executive Instructions issued under this Act. They are also prepared to supply the requisite number of forms prescribed under the Act that may be needed by the Government. The executive instructions are still incomplete and provisional. We may expect to get complete and detailed instructions in course of time after the draft rules are approved.

10) We may inform the Residency that the question of introducing this Act is under the consideration of this Government and that the number of forms required will be communicated to them in due course. As the Act and the Rules applied to foreigners who are already residents in Mysore, a larger number of forms of Form A will be required. It has been ascertained in another file that there are about 250 foreigners in Mysore of European, American and Asiatic origin. Form A is to be in triplicate. We may require about 1000 to 1500 forms of this. Form B is a temporary certificate of registration and we may require about 100 of them. We may require about 200 forms of Form C which is a Hotel Arrival Report, and about 200 forms of Form D which is a Report of Departure from British India of Foreigners. We may not require Form E for the present as there are no air-craft companies in Mysore. We may also require about 100 copies of Rules and Executive Instructions. Subject.—

Registration of Foreigners Act.

1. The Registration of Foreigners Act of the Central Government received the assent of the Governor General on the 8th April 1939. The Residency have now written that in order that foreigners throughout India may be registered, His Excellency the Crown Representative desires that Indian States should apply to State Territory an Act similar to the Registration of Foreigners Act, 1939, and also in due course apply the Registration of Foreigners Rules, 1939, which are likely to be issued by the Central Government soon.

2. Since the law has to come into force at once, it is proposed to issue the Act as an Emergent Measure under Section 12 of the Legislative Council Act, 1923, in the first instance. A Bill will be brought in due course before the Representative Assembly and the Legislative Council for placing the measure permanently on the Statute Book.

3. The Dewan and the Second Member of Council have agreed to the proposal. The gracious sanction of His Highness is solicited for issuing the Act as an Emergent Act.

49 Returned with compliments to the Law Secretary to Government.

50 I am afraid that the draft amendments to the Rules (generally speaking, by substituting "Mysore" for "British" India", and in some cases, for "India") will not meet the case at all. In fact, the method adopted will lead to hopeless confusion.

51 For example:-

Rule 2(j). The substitution of 'Mysore' for 'India' completely alters the definition of "tourist" as contemplated by the Rules.

52 Rule 4. In the last line 'Mysore' should not be substituted for 'India'.

53 Rule 5(3). "Mysore Subject" cannot be substituted for "British Subject", since, in many cases, the said Banker or Hotel Manager will in all probability be a "British Subject".

54 Rule 5(4). Ditto.

55 Rule 6(1)(b). "Mysore" should be substituted for "British India"

ule 6(2). In the second paragraph "vessel" should

e altered to "aircraft", but in any case, the whole

aragraph should be deleted, since it is applicable

Serial No.

61 Moreover, our Government itself seems to contemplate the issue of a similar Notification, vide draft slippea. But this obviates the necessity for any textual alteration of the Rules and I am convinced that any such alteration should be avoided at all costs.

62 The same remarks apply to the Forms to be used with the Rules. The Resident has offered to supply us with the forms required and it would be better to accept this offer. The forms will be used mainly by Superintendents of Police (to whom I shall have to delegat written authority) and in my office, and the executive instructions which I shall issue will provide for any essential alterations to be made in the forms before use.

63 Another very important document is the draft Registration of Foreigners (exemption), Notification 1939. This too must, I think, remain indentical in text with the Government of India Notification (No.21/32/39 Political dated 21-6-1939)

64 For example, the substitution of "His Highness the Maharaja" for "His Majesty" in paragraph 3(a) would mean that the Germans now working at Bhadravathi would be exempt from registration!

6. The Rules have been suitably amended by me, incorporating the suggestions made above by the D.G.I.T. a draft is put up.

66. It is not usual to adopt the Rules of the Govt of India Sec 37 of the General Clauses Act which applies the Rules of interpretation where an enactment is applied to Mysore mutatis mutandis would not apply to the case of Rules. It is therefore necessary & desirable to redraft the Rules suitably for application in Mysore.

67. The questions of issuing the exemption order will be considered after the Rules are notified

68. As regards executive instructions the D.G.I.T. may issue them in the form issued by the Govt of India with instructions to his officers to make suitable changes where necessary. The Law Member has seen the Rules & the above are his instructions.

The District Magistrate, Bangalore proposed that persons other than Govt servants should obtain a pass from the Dy of Police, before they can be allowed to check at the Bangalore & Chikkaganahalli. The proposal was approved and communicated to the D Gy P, the Chief Engineer and the District Magistrate

The D.Gy.P now writes that this arrangement would cause a lot of inconvenience to intending visitors, as they will, in the usual course, apply to the Executive Engineer, and then referred back to the Dy.P for a pass. He therefore suggests that in supersession of the D C's proposal, approved by Govt, the original arrangement made by him with the Chief Engineer viz that the bungalow will be available to those persons (apart from Govt. servants) for whose bonafides the Executive Engineer can vouch, may now be approved by Govt.

THE SECRETARY TO THE HON'BLE THE RESIDENT IN MYSORE.

To The Chief Secretary to the Government of Mysore, Bangalore.

P.S. 27.5.39

Dated Bangalore, the 26th May *1939*

Subject:- Registration of foreigners in Indian States.

SIR,

I am directed to say that the Registration of Foreigners Act, having received the assent of the Governor General on the 8th April 1939, was published at page 160 of Part IV of the Gazette of India dated the 15th April 1939, for general information.

2. In order that foreigners throughout India may be registered, His Excellency the Crown Representative desires that Indian States should apply to State territory an Act similar to the Registration of Foreigners Act, 1939, (XVI of 1939) and also in due course apply the Registration of Foreigners Rules 1939, which are likely to be issued by the Central Government in June 1939 after objections and suggestions on draft Rules which have been circulated have been considered.

3. In addition to Rules, executive instructions are also being issued and, until experience shows whether any modifications in procedure are required to be made, it has been decided that the Government of Mysore should be requested to appoint their Inspector General of Police as Registration Officer and the Hon'ble the Resident as Provincial Registration Officer.

In order that the Government of Mysore may be apprised of the action which has up to date been taken by the Central Government, I enclose 12 copies of the Home Department Notification No.Political.21/24/39 dated the 27th April 1939, a press communique and draft Executive Instructions In due course a supply of forms will be available and I am to ask you kindly to inform me, as soon as possible, the total number which will be required by the Government of Mysore.

5. The executive instructions are in one respect incomplete and in another provisional only. The question of the exemptions to be declared under section 6 of the Act is under the consideration of the Government of India and the result will be published for general information as soon as possible. Until this question is finally decided, paragraph 3 of the executive instructions is necessarily incomplete. In paragraph 2, and elsewhere, however the instructions are based upon the assumption that a uniform system of registration will ultimately be adopted throughout India and provision is made for the appointment of Registration Officers in the States and other specified areas outside British India.

6. I am to request an early reply.

I have the honour to be,

Sir,

Your obedient servant,

for Secretary to the Resident in Mysore.

MS 27.6.39

Sir,

I am directed 28/6/39 to refer to my letter No.C.F.62/1939(2), dated the 26th May 1939.

MS 28-6-39

2. The Registration of Foreigners Rules and Exemption Order have been published in the Gazette of India dated the 24th June 1939. The Rules will come into force in British India on the 1st July. Copies of the Rules, Exemption Order and Executive Instructions will be sent to you shortly. The Hon'ble the Resident will be glad if the action suggested in my letter referred to above is taken at a very early date. In the meantime he will be grateful if the Inspector General of Police in Mysore who will be the Mysore Registration Officer is asked confidentially to make preparations on the basis of the draft Rules and instructions which have already been communicated to you, and which are now subject to the following modifications.

MS 29/6 BKA 296.

(a) By amendment of Rule 14, hotel reports must be in English or an Indian language.

(b) As a result of the exemption from registration of Dominion subjects, British Protected persons and others, actual registration will be effected only of subjects of all Foreign States in Europe, America and Africa, and also of Japan, Turkey, Arabia, Russia and other countries in Asia except Iran, Afghanistan, Nepal, Bhutan, Tibet, China, French India and Portuguese India.

3. It will be necessary for the Government of Mysore to notify the appointment of the Registration Officer only, since the Provincial Registration Officer (the Resident) will have no duties under the Rules. There is no objection to the Inspector-General of Police being authorised by executive directions to appoint subordinate Police Officers to perform his duties under the Rules. In British India the initiation of prosecutions will be the function of the Registration Officer himself and other functions will not be delegated to officers below the rank of Head Constables.

Registration of Foreigners Rules.

There seems no provision for reciprocity between Brit.India, Indian States and Tribal, Leased or Administered Areas, in the matter of acceptance of each others' Certs. of Regn.

As the rules now stand, a Foreigner would apparently be liable to re-Registration in C. Stn., or Mysore, even if already registered in the other or in Brit. India; and vice versa.
Are we to accept Certs. of Regn., issued by other Authorities?

The whole question can be covered by adding to Rule 2 (b) "and includes a Cert. of Regn. issued in Brit. India, Indian States and Tribal, Leased or Administered Areas in which equivalent Rules have been applied" or words to that effect.

Apart from the intentions of the various Govts., penalties have been provided for breach of rules and it would seem desirable to get things right, e.g. as things stand a Foreigner would be liable for not registering but not for failing to report changes in particulars in the Regn. Cert. issued by so other Authority.

Rules 15 (3) and Ex. Instrns. 13 & 14 (4) may be read.

I understand this point was raised earlier but no action taken as it was anticipated from the Draft Ex. Instrns. that the final Rules would cover this aspect and provide for reciprocity.

I suggested to your office wiring to Crown Representative to ask for orders whether Certs. of Regn. of other Authorities are to be accepted.

There is also possibly consequential amendment of Rule 5(1) by inserting after words "Every Foreigner" in first line, "not already in possession of a Cert. of Regn. issued by a duly appointed Regn. Officer in India" or words to that effect.

My dear Mr. Kesavaiengar

Subject: REGISTRATION OF FOREIGNERS

I presume that the Staff Quarters at Mysore and similar Guest Houses there and at Bangalore are to be considered as exempted from the provisions of Rule 14 of the Registration of Foreigners Rules, i.e. as regards maintenance of a Register and preparation of "C" Forms.

At the same time it seems necessary that police officers of the appropriate rank should be permitted to inspect the Visitors' Books maintained at such places in order to obtain the necessary particulars regarding any foreigner who may be staying there.

May I issue instructions on these lines?

Yours sincerely,

E. G. B. Peel

in Mysore.

My dear Mr.Sarabhoja,

Please refer to your endorsement No.2704/5 dated 28-8-39 regarding the Thippagodanahalli Inspection Bungalow.

I now find that this Bungalow is used by all and sundry and, in view of the small force of Police at my disposal locally, we are running a serious risk to the safety of the Dam by allowing unrestricted use of the Bungalow.

I suggest, therefore, that, until further notice, the Executive Engineer, Water Supply Division, be asked to close the use of the Bungalow to all except State Officials and persons, such as Military Officers of the Cantonment, for whose bona fides the Executive Engineer can vouch.

In the circumstances, it seems only right that we should treat this Inspection Bungalow as if it were any other/bungalow in the State, for the purposes of Rule 4 of the Registration of Foreigners' Rules.

Yours sincerely,

SD. E.G.B.PEEL.

THE REGISTRATION OF FOREIGNERS RULES, 1939.

Executive Instructions.

1. **Introduction.**—In so far as the following instructions which are intended to supplement, and to facilitate the administration of, the Registration of Foreigners Rules, 1939, include explanations of the Registration of Foreigners Act, 1939, the Rules made under that Act and the exemptions from the operation of those Rules declared under section 6 of the Act, they do so solely for the purpose of assisting officers entrusted with the administration of the Rules in understanding their general scope. They do not and cannot relieve officers of the necessity of studying the Act (particularly sections 2, 4, 5 and 6) and the Rules as modified in their application by the exemptions declared in the Home Department's notification No. 21/32/39-Political, dated the 21st June, 1939.

2. **Territorial extent of these instructions.**—Although the Registration of Foreigners Act, 1939, extends only to British India, it is proposed to secure the introduction of similar legislation to cover the whole of India as defined in section 311 of the Government of India Act, 1935. For this reason, provision has been made in rule 15 of the Registration of Foreigners Rules, 1939, for treating departures from British India to Indian States, Tribal Areas, etc., in the same way as departures from one district to another in British India, and the list of Registration Officers given in paragraph 3 of these instructions includes Registration Officers for States, Baluchistan and the Tribal, Leased and Administered Areas.

4. **General effect of the rules.**—The general effect of the rules was explained at length in the press *communique* which issued on the 6th May 1939. Briefly, subject to the exemptions declared under section 6 of the Act and described in paragraph 5 of these instructions, they impose obligations upon four classes of persons—

(*a*) to report themselves and be registered,

(*b*) to produce on demand their Registration Certificates and passports, and

(*c*) to report changes of residence, movements and departure ;

(*2*) every passenger, irrespective of nationality, on any vessel or aircraft (other than a vessel plying solely between ports in British India and ports in Indian States or an aircraft which does not proceed beyond the borders of India) who is required to report his name and nationality, and, if a foreigner, certain additional particulars, to the shipping or aircraft company or its employees ;

sons are exempt from registration, subject in some cases to conditions, but certain of the provisions of rules 4, 14, 15 and 16 still apply. There is no exemption in any case from the obligation to sign hotel registers which, under rule 14 (3), is laid upon every visitor to a hotel. For the rest, the obligations of persons not subject to actual registration are briefly indicated in the following table.

12. **Registration of changes other than changes of address.**—Where, under ıle 12, a foreigner makes a report of any change, other than an intended ıange of address, in the particulars entered in his Certificate of Registration ı Part III of Form A, the Registration Officer will—

(*a*) correct Parts I and III of Form A and return Part III after correction to the foreigner, and

(*b*) report the correction made in Part I to the Provincial Registration Officer.

13. **Inter-State and Provincial transfers.**—The procedure described in paragraph 11 will be followed in any case in which a foreigner reports a change of residence to a place beyond the boundaries of the Province, State or other Administration in which he is registered but in any such case the Provincial Registration Officer will transmit Part II of Form A to the appropriate Provincial Registration Officer.

Departure Reports (rules 11 and 15).—(*1*) A registered foreigner must—

(*a*) unless he is a tourist, report his intended change of address under rule 11 (*1*) if he proposes to depart from British India;

(*b*) surrender under rule 15 his certificate of registration if to depart from India; and

(*c*) furnish a departure report in Form D under rule 15 if he proposes to depart from India by sea or air.

(*2*) In the case of departure by sea or air the Registration Officer at the ort to whom the certificate of registration is surrendered will, except as pro-ded in sub-paragraph (*5*), transmit it, after the foreigner's departure, to the egistration Officer of the district in which the foreigner was last registered. ie latter officer will then cancel the district registration and inform the ovincial Registration Officer. (Further instructions regarding departure om ports and aerodromes are given in paragraph 15).

(*3*) Where departure is by way of the land frontier, the certificate will, der rule 15 (*1*) (*b*), be surrendered to the Registration Officer of the district which the foreigner is registered. 15. **Special procedure at ports (rules 5, 6, 8, 15 and 16).**—(*1*) It is intended hat the registration of foreigners arriving by sea or air should, so far a possible, be linked with the passport examination procedure. Considerabl atitude however, has been provided in the rules and it is open to the Registra

(2) When the number of foreigners is not excessive, registration should be ɔmpleted concurrently with the ordinary passport examination on board ıip, except in the case of short voyages, such as a voyage from Goa to Bombay, hen it may not be possible for the master of the vessel to have Form A comleted before arrival in port.

(3) When the number of foreign passengers is so large as to make this npossible, those who intend to proceed beyond the limits of the port of arrival ıould, so far as possible, be registered at once while the passports of those ho reside in the port of arrival can be taken and they can be directed to appear efore the Registration Officer later in the day or on the following day to receive ıeir passports and be registered.

(4) *Departure.*—Shipping companies and their agents will, except as stated in sub-paragraph (5), be required to issue a copy of Form D (Departure Report) to every passenger who books accommodation and, on receipt of the Form completed by the would-be passenger, to prepare a list of passengers in Form F, attaching departure reports in Form D to it. Forms D and F should be in the possession of the Registration Officer before passengers embark and departures checked against it, foreigners being required to surrender their Certificates of Registration. This can possibly be conveniently done immediately before passengers are admitted to the medical inspection room.

(5) Registration Officers should not require shipping companies to collect departure reports in respect of passengers on short voyages for which berths are not generally reserved until near the time of departure but should arrange for such reports to be made to them direct by the foreigner.

(6) Departures will be noted in the appropriate Form E and the Certificate of Registration transmitted for cancellation to the district in which the foreigner is for the time being registered.

16. **Hotel Reports.**—(1) Under rule 14 the manager of any hotel, *sarai*, club, boarding house or other premises referred to in rule 14 (7) (*a*) is required to send to the Registration Officer a copy of the hotel arrival report in Form C in respect of any foreigner who arrives at his hotel. Except for the fact that some changes have been made in the details to be reported, this requirement does not differ from the practice already being followed in some places. On receipt of the hotel report, the Registration Officer will make such enquiries from the foreigner in question as may appear to be necessary. He will then retain the hotel arrival report until the foreigner has left his district whereupon the report will be sent for information to the Registration Officer of the district in which the foreigner's address is situated.

(2) It will be necessary for Registration Officers to see that persons in charge of hotels, etc. understand their obligations under the Act and Rules as modified by the exemptions described in paragraph 5, particularly in places where Japanese immigrants and possibly others, *e.g.*, of Jewish extraction, seeking employment, are likely to stay at hotels, *sarais*, etc., of an inferior class.

(3) Rule 14 (4) should be read with the definition of Registration Officer in rule 2 (*g*) and keepers of hotels, etc., outside district headquarters should be directed to send arrival reports in Form C to the officer in charge of the nearest police station who will be the Registration Officer for the purpose of receiving

Travel permits.—(*1*) Licences to travel in British India are provided

(1) under rule 15 (*4*), to serve the purpose of a Certificate of Registration in the case of a foreigner who surrenders his certificate prior to departure from India by land; and

(*2*) A *pro forma* licence is appended to these instructions as Form III. Normally no conditions other than those of period of validity and *route* will be added to the licence. Provision has, however, been made for the addition in a time of emergency, of other conditions in the case of a licence granted to a foreigner as a condition of his exemption from registration.

18. **General.**—The particular attention of Registration Officers is drawn to the following matters—

(1) *Burden of proof.*—Under section 4 of the Act the burden of proving that a person suspected of being a foreigner is not a foreigner lies upon that person and attention is drawn to rules 8 and 9 which provide power to demand the production of a passport and other proof of identity and to inspect Certificates of Registration.

(2) *Acceptance of passports.*—A passport issued not more than five years before the date of production should normally be accepted as sufficient proof under rule 8 (1). A renewed passport issued more than five years previously should also be accepted if the Registration or other officer is satisfied that it establishes the identity of the foreigner. If, however, the photograph is faded or obsolete or the passport is in any way suspicious, further proof of identity should be demanded.

gistration no condonation of offences.—In view of section 8 of the Act the fact that a foreigner who may have entered British India in contravention of the Indian Passport Rules, 1920, has been registered does not affect his liability to be proceeded against under the Indian Passport Act.

lotels', '*residence*', '*vessel*', *etc.*—The definitions in rule 2 should be read as applying also to these instructions.

REGISTRATION OF FOREIGNERS BILL.

CLAUSE 2.(a)

Sub-clause (i) has been added to the Bill and alternative drafts are suggested in the ~~draftx~~ Bill. Sub-~~c~~lauses (iv) and (v) of the British Indian Act are omitted from the Bill as unnecessary.

CLAUSE 3.

Though sub-clause (b) of the British Indian Act has been included in the Bill, it is for orders whether it is necessary in view of the ~~fact that the~~ suggestion of the Residency is that there should be only one Registration Officer for the whole of Mysore.

This need be considered where the rules are administered locally by G. of C.

In sub-clause (f) all reference to vessels is omitted as inapplicable to Mysore.

CLAUSE 6.

The proviso found in the British Indian Act has been omitted from our Bill.

CLAUSE 8.

The reference to the Foreigners Act, 1864 of British India is omitted from the Bill as unnecessary.

REGISTRATION OF FOREIGNERS IN THE INDIAN STATES.

The Central Government has passed an Act, Act XVI of 1939, to provide for the Registration of Foreigners in British India. The Residency wants this Government to apply to this State an Act similar to the above Act and also, in due course, apply the Registration of Foreigners Rules 1939, which are likely to be issued by Central Government in this month after objections and suggestions on draft Rules which have been circulated have been considered by them. In addition to the above rules, executive instructions also have been issued.

The object of the Central Government is to introduce this Act throughout British India, administered areas and the Indian States so that every foreigner entering, being present in, or departing from, any such area may be registered. According to the wordings of the Act, registration shall be applicable not only to foreigners who land in India either by sea, air or land, but also to foreigners who are already resident in British India and the Indian States. The definition of "Foreigner" is given in Section 2 of the Act and the registration of such a foreigner is effected by rules to be framed by the Central Government under the powers vested in them under Section 3 of the said Act.

By the introduction of this Act in all these areas, the Central Government expect to have a complete list of foreigners in the

role of British and Indian India. The Act itself is a small one and the rule making power puts effectively the provisions of the Act and enables the Executive to take necessary steps for registering such foreigners. I think, in order to carry out the intentions of the Central Government, it is necessary that we should also have an Act in Mysore similar to the Br Indian Act, and a draft of the Act in the form of Bill is submitted herewith.

Under the rules in force in Mysore, the General Principles of the Bill will have to be first placed before the Representative Assembly and then introduced in the Legislative Council (Rule 6 of the Legislative Council Rules of Business and Section 9 (1) of the Representative Assembly Act.) In emergent cases, however, when Government propose to introduce any measure of legislation, the bill may be introduced in the Legislative Council first and the general principles underlying it shall be placed before the Assembly at the earliest opportunity after its introduction in the Legislative Council and before its passing. If we adopt either of the above ~~proposals~~ procedures, it will mean that the Bill cannot be introduced before the end of the Legislative Council ~~Session~~ which will meet either in December or January next. Since the Central Government considers this to be an emergent measure, it may not be possible to adopt either of these courses. But under Section 9(2) of the Representative Assembly Act, in cases of extreme urgency in which the Government proposes that the ordinary rules of business of the Legislative

islative Council should be suspended and th
l passed at a single sitting of the Council,
e procedure enunciated in Section 9(1) shal
apply. If it is ~~therefore~~ intended that th
l should go before the Legislature and be
sed by it at a single sitting, The Bill
be introduced ~~under this section~~ at the ne
sion of the Legislative Council and passed
a single sitting of the Council without refe
e to the Representative Assembly as laid dou
Section 9(2). If by any means it is conside
not possible to place this measure before t
islative Council, Government still have pow
ler Section 12 of the Legislative Council Ac
pass this as an emergent Act and in the mea
ile to take necessary steps to bring it up
ore the Representative Assembly and the
Legislative Council in due course. Also under
Section 16 of the Legislative Council Act, the
measure could be passed into an Act without
being referred to the Legislative Council under
the prorogative of His Highness. Any of these
courses could be adopted to bring the Act into
force immediately.

According to Para 2 of the Residency
letter, the Inspector General of Police is
the sole Registration Officer for the whole
State and the Resident is the Provincial Regis-
tration Officer. The Residency has also sent
us copies of Notifications, and Press Communi-
que and draft executive instructions issued un-
der this Act. They are also prepared to supply
the requisite number of forms prescribed under
the Act that may be needed by the Government.
The executive instructions are still incomplete

and provisional. We may expect to get complete and detailed instructions in course of time after the draft rules are approved.

We may inform the Residency that the question of introducing this Act is under the consideration of this Government and that the number of forms required will be communicated to them in due course. As the Act and the Rules apply to foreigners who are already residents in Mysore, a larger number of forms of Form A will be required. It has been ascertained in another file that there are about 250 foreigners in Mysore of European, American and Asiatic origin. Form A is to be in triplicate. We may require about 1,000 to 1,500 forms of this Form. Form B is a temporary certificate of registration and we may require about 100 of them. We may require about 200 forms of Form "C" which is a Hotel Arrival Report, and about 200 forms of Form "D" which is a Report of Departure from British India of foreigners. We may not require Form "E" for the present as there are no air-craft companies in Mysore. We may also require about 100 copies of Rules and Executive Instructions. If the mode of bringing this Act into force in Mysore is decided upon, necessary steps will be taken immediately.
